Asec® Electronic Digital Safe

AS12207

6.5kg Digital

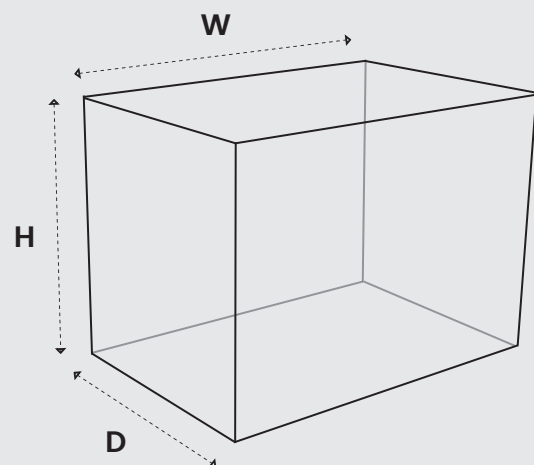

The ASEC Electronic Digital Safe features an electronic lock which can be programmed by a code 3 to 8 digits long, and comes with an emergency key over-ride function.

Thanks to its compact dimensions this safe is particularly suitable for use at home to facilitate the safe storage of cash and valuables. It can be operated by 2 opening codes and features an automatic system block after 3 incorrect code attempts for added security.

FEATURES

- 18 litre capacity
- Recommended for £1,000 cash or £10,000 valuables storage
- High quality programmable electronic lock
- Automatic system block
- Supplied with emergency key
